

# WELCOME TO ADVANTAGE:

## Our Purpose:

The purpose of our company is to provide the highest level of care to those people that have sustained an injury or have chronic pain. This is accomplished through individualized care and patient education. All patients will be treated equally and with respect.

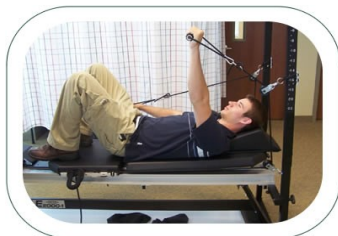

Furthermore, we will provide our patients with a caring, friendly, and professional environment.

## **Therapy Services may help with any of the following:**

Ankle/Foot, Knee/Hip, Spine, Shoulder, Elbow, and Hand/Wrist.

## **Treatment Goals:**

Increase Range of Motion  
Increase Mobility  
Increase Strength  
Decrease Pain  
Improve Balance  
Improve Function  
Home Function

## MEET YOUR THERAPIST:

**Charles E Renner, OTR, CHT**

Chuck is the owner of Advantage. He has been an occupational therapist for over 20 years. He has his certification in Active Release Techniques (ART), ASTYM (Augmented Soft Tissue Management), Manual Lymphatic

Drainage, VerNova (Functional Capacity Evaluation), TMR (Total Motion Release), & he is an instructor for PRRT (Primal Reflex Release Techniques.) He is the only therapist in Missouri that is a member of the American Society of Shoulder & Elbow Therapist (ASSET). Chuck is also a member of the American Society of Hand Therapists and the American Society of Hand Surgeons.

**Mary Reuterfors, MA, OTR, CHT**

Mary has been specializing in hand therapy for the past 25 years. She is a member of American Society of Hand Therapist. She coordinates the local Hand Therapy club for Physicians and Hand Therapist. She specializes in post surgical rehab.

**Chris Dieckhaus, DPT**

Chris holds a Bachelor of Science in Chemistry Education from Southeast Missouri State University in Cape Girardeau and a Doctor of Physical Therapy Degree from Missouri State University in Springfield. He is working toward

certification as an Orthopedic Manual Therapist from the International Academy of Orthopedic Medicine-US. He has diverse therapeutic interest, with an emphasis on acute and chronic orthopedic injuries and impairments of the spine and extremities and post-surgical rehabilitation.

**Kylie Ludemann, OTD**

Kylie completed her Doctorate of Occupational Therapy degree at Creighton University in Omaha, Nebraska. Kylie's area of clinic interest include upper extremity orthopedic rehabilitation and adult neurological rehabilitation. Kylie is currently working primarily with hand, elbow and shoulder orthopedic injuries.

**Susan Grimshaw, MS, PT**

Susan received her Master's Degree in Physical Therapy in 1985. Susan has pursued rigorous and intense post-degree training in osteopathic manual therapies. Her training has taken place both nationally and internationally and continues

to this day. Featured in both newspaper articles and on television for her amazing work on athletes, Susan has gained a reputation of being able to correct and help a wide variety of problems in both the athletic and non-athletic population. Susan developed the **AIRROSTI** method for rapid recovery of soft tissue injuries.

**Adelle Hutchins, OTR, LMT**

Adelle has provided occupational therapy for children in several pediatric settings for over a decade, to include: school districts, developmental preschool, pediatric clinics, home health, aquatic therapy and hippotherapy. Adelle is nationally certified and licensed in occupational therapy. She graduated from the University of Missouri, summa cum laude, with a degree in Health Sciences-Occupational Therapy. Adelle works at both our Springfield and Nixa clinics.

### Success Stories:

“I would like to thank all of you very much for the professional job all of you do. All of you made me feel like part of the family every time I walked through the door. Chuck, you should be very proud of the great working team that you have.”

“I have been to a couple of other therapy clinics in Springfield and you can not compare them when it comes to the care and entire environment at Advantage. I wouldn't go anywhere else.”

“Advantage provided me with exceptional care after shoulder surgery. Friendly, empathetic, pleasant surroundings, courtesy, compassion with professional expertise. I recommend Advantage to all of my friends. Chocolate cake helps too.”
